First trace the Letter with
finger then colour it yellow.
Colour the Top red , yellow
and green.

Seasons - Winter

Date

CW/HW

Paste white cotton on the snowman and complete the picture

FESTIVALS

Republic Day

Teacher's Notes: Teachers to discuss about the Republic day. How and when it is celebrated, also inform the children that on this day, the President of India takes the march past by different cadres of Indian Forces.

Baisakhi

Teacher's Notes: Teachers to tell the children that Baisakhi is the harvest festival of North India, celebrating the collection of winter crop. It is celebrated in the month of April. On this day different fairs are organised. Farmers go to these fairs and spend their time singing and dancing. The favourite dance performed on this day is Bhangra.

Holi

Teacher's Notes: Teachers to tell the children that Holi is the festival of colours and the children should be told not to use colours which are harmful to the skin. Tell the children why we celebrate Holi and narrate the story of "Holika".

Festivals - Christmas

Date

CW/HW

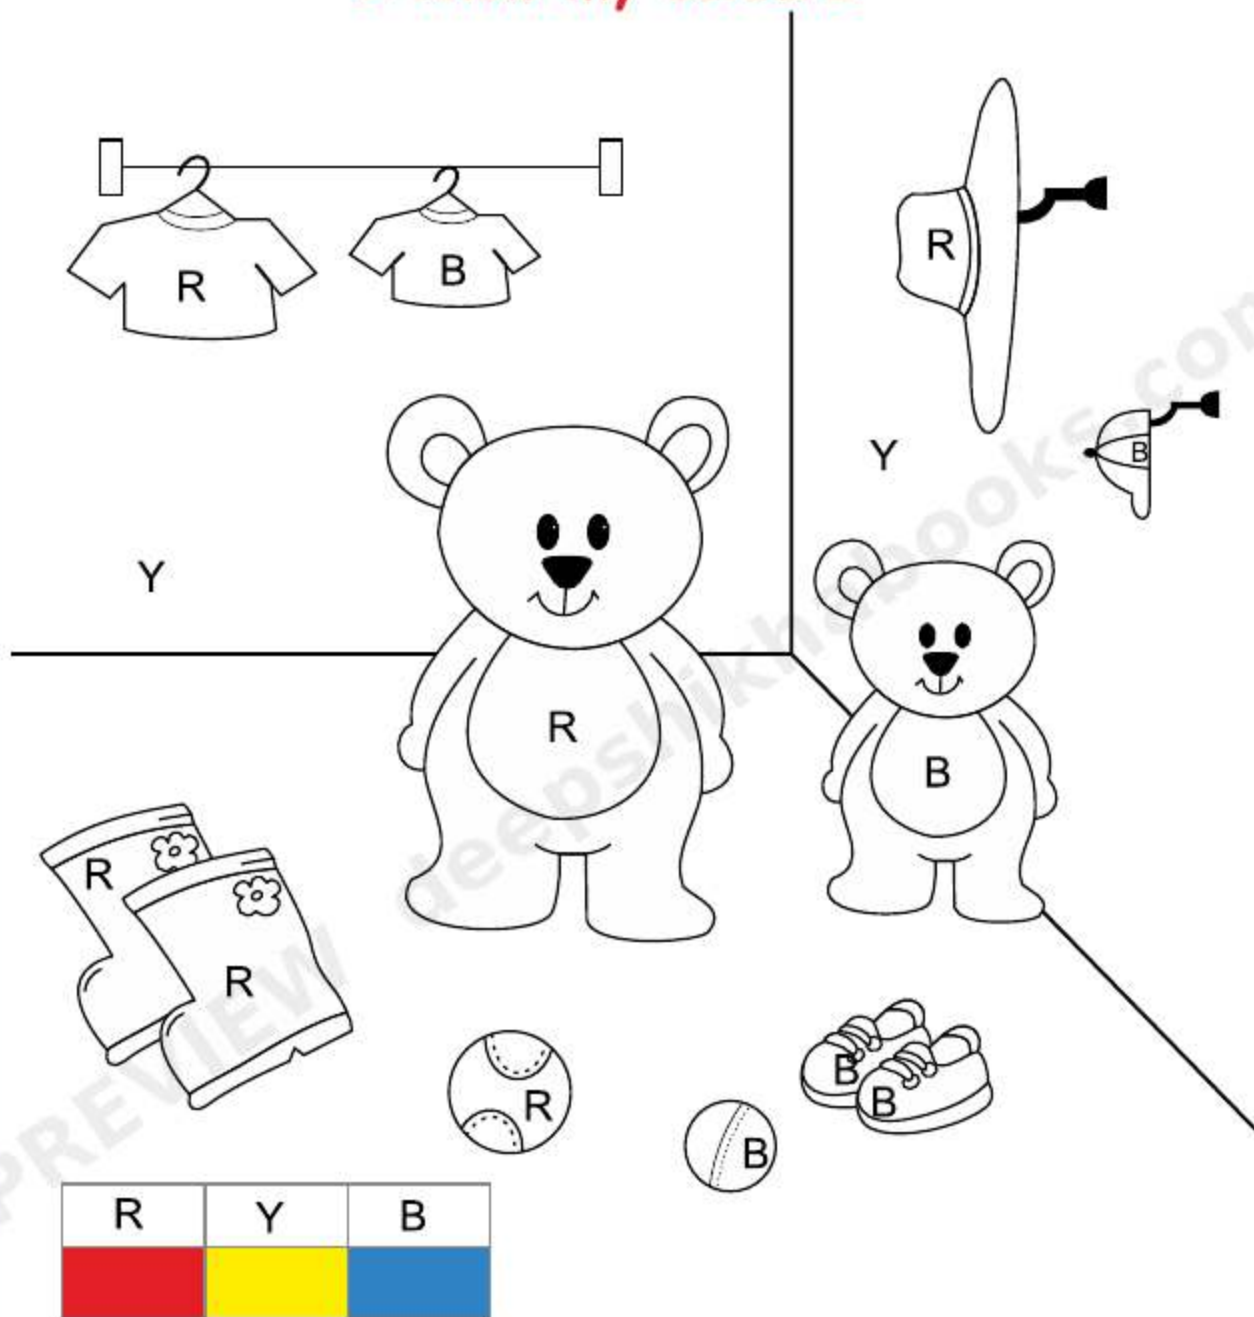

Colour the picture.

Date

CW/HW

I know my colours

Learning Outcome : The students can visually discriminate between big and small things. They are able to compare things according to the size.

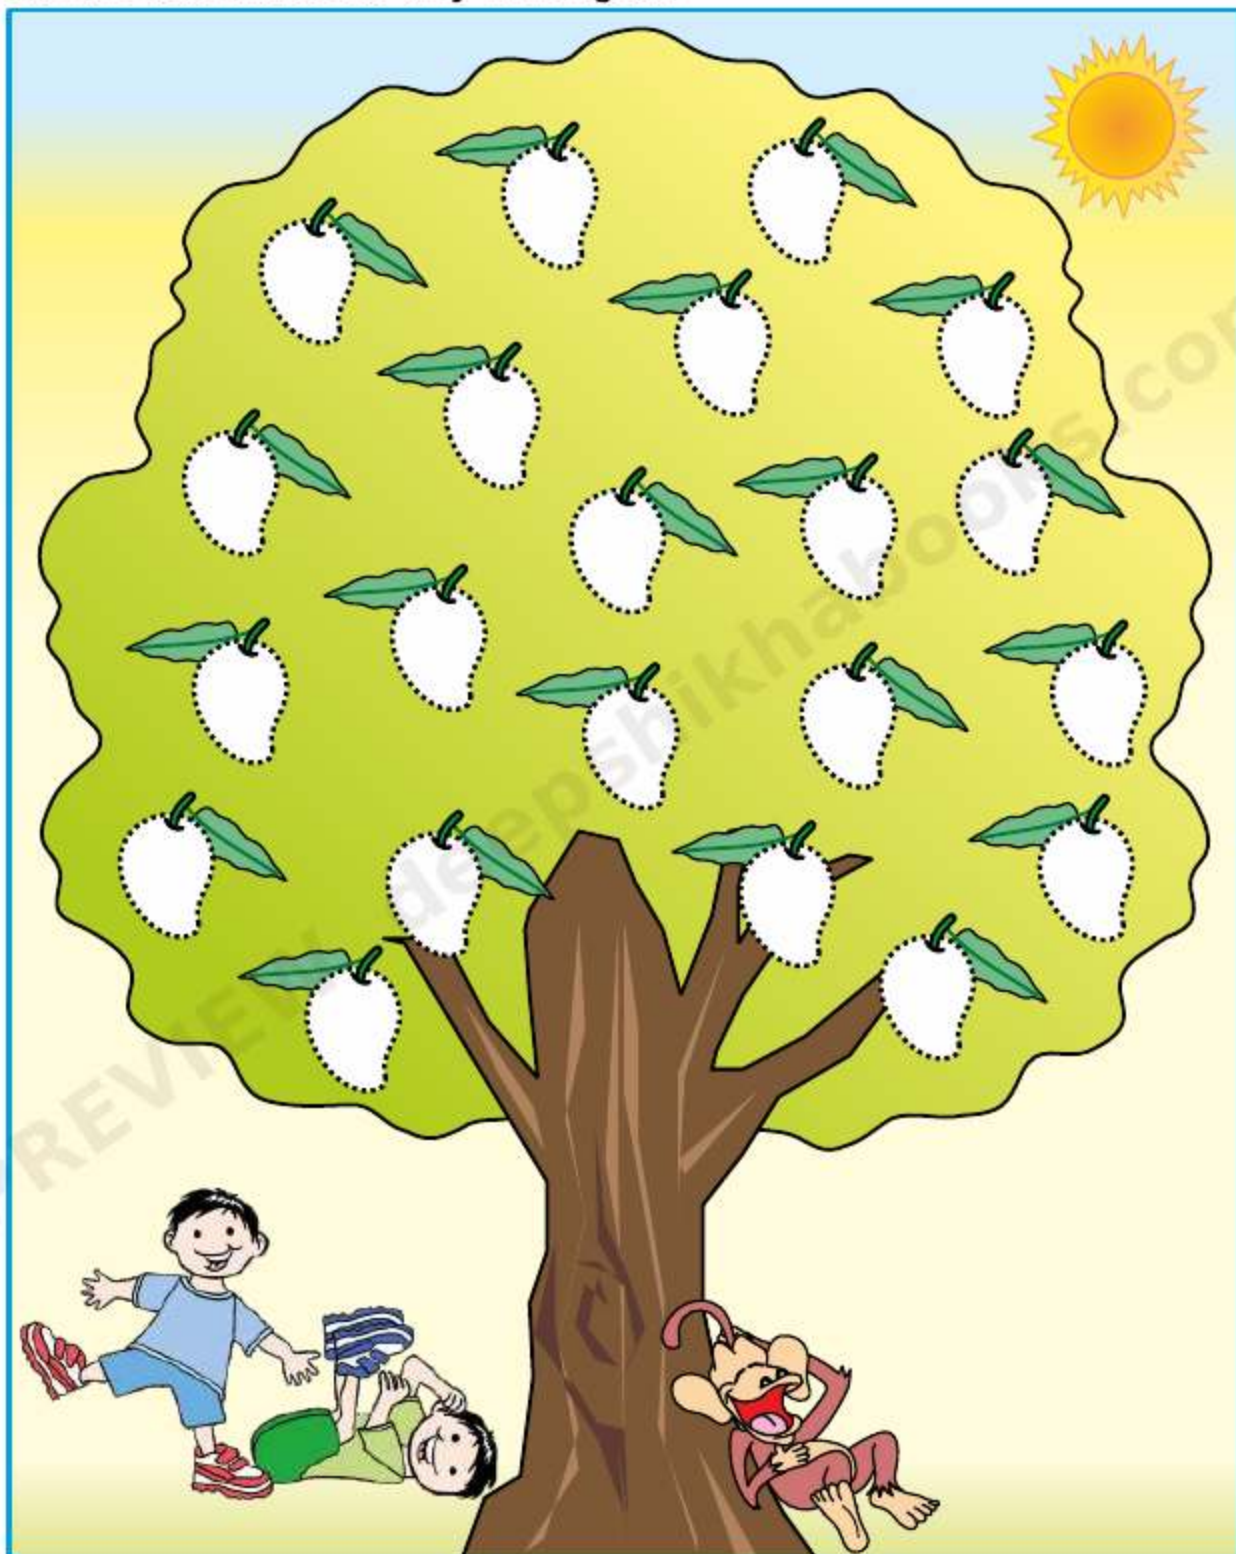

Note for the teacher : The teacher will ask the students to colour papa bear and his things red, baby bear and his things blue and colour the wall yellow.
